

Wetaskiwin Family Medical Practice

PRICE CHANGE AS OF APRIL 1, 2023

The Alberta Healthcare Plan pays for many of the services that you receive from your doctor. However: there are a number of services not covered by Alberta Health. These are considered to be uninsured services and are payable at the time the service is rendered.

The doctors will discuss any fees before providing an uninsured service.

****As pennies exit circulation has ended – payments have been rounded to the nearest five-cent increment.****
